TRUE Truffles

Our fresh cream truffles are created from the finest, all natural ingredients. Dairy fresh cream and butter, and premium couvertures provide the perfect harmony of flavor and texture for an exquisite experience. Each artful truffle is handcrafted with a unique decor to match the flavor inside.

TRUE Toffee

Our delectable toffee squares are made from only the freshest, all natural ingredients - dairy fresh Grade AA Wisconsin butter, sugar, and a pinch of salt, all drenched in smooth 32% milk chocolate and sprinkled with freshly roasted and lightly salted almonds.
